Spencer Law Firm, P.L.C. recognizes the impact that changes in the legal, financial and health care systems have on individuals and families. Early planning and preparation make a difference in the options ultimately available. The firm strives to assist clients before matters become urgent by consultation, preparation of planning documents and storage of important documents.

The hiring of a lawyer is an important decision that should not be based solely upon advertisements. Before you decide, ask us to send you free written information about our qualifications and experience.

For information regarding additional areas of practice, contact Spencer Law Firm, P.L.C. (850.894.3888)
